

FAA Control Tower

Herrick Archives Number S 11

A. IDENTIFICATION & LOCATION

1. Name

This is not a University-owned building and carries no official university name. It was constructed and is owned by the Federal Aviation Administration (FAA) and is referred to as the "Control Tower" or "FAA Control Tower".

2. Location

2.1 Located at 3160 Case Road. See map below.

2.2 For greater detail, see Sheet DS 79 in the book of campus maps in the University Archives.

[See Addendum No. 1]

For identification of other buildings shown, see Appendix A.

B. PLANNING & CONSTRUCTION

A call to the tower on February 13, 1973 brought the information that the tower was put into operation on September 8, 1971.

ADDENDUM NO. 3

In 1978, an office building was constructed at the base of the tower. This addition is a one story building with a reinforced concrete frame and concrete block exterior wall. (P)

This base building is referred to as the "Tower Base Building" or the "Office Addition to the FAA Control Tower."

The base building was designed and constructed by Fry, Inc. for the University under a "design-build" contract. It was then leased to the FAA. (P) Ownership was transferred to the Federal Government on January 29, 1979. (P)

Construction began July 24, 1978 (A). It was sufficiently completed for University acceptance on November 9, 1978. (P)

Campus Planning records for the original tower and the base building show a gross area of 2,566 sq. ft. and a net area of 1,791 sq. ft.

Photographs X 22950 and X 22951 show the base building.

[See Addendum No. 4]
